The Haven is a safe place offering free, non-directive and confidential support to anyone facing an **unplanned or complicated pregnancy**. We also offer support following an **abortion** or other **pregnancy loss**.

We are a Christian charity motivated by faith and compassion, providing a non-judgmental service to all, irrespective of beliefs.

We also deliver a multimedia, interactive lesson to hundreds of 14-18 year olds in local schools each year in which we present pregnancy statistics, look at foetal development and facilitate discussion around the potential consequences of an unplanned pregnancy.
